December Christmas meeting/party 7.30pm start

Our December meeting/party on the evening of 6th December will be commencing ½ hour earlier than our normal meeting commencing at 7.30pm.

This is the first month of our annual point score and we ask that you have your plants benched by 7pm. so that the judging can start promptly at 7pm; this enables the judges to join in the evening's festivities.

We provide a two course meal for members and their partners so please let Clover know if you are coming and if you have a preference as to whom you sit with.

We provide plenty of soft drink, including Bernie's famous punch and a very limited amount of alcohol but you are welcome to supplement your table if you have a favourite drink.

We also have a large raffle at our Christmas Party and donations are always welcome but please make sure it is something that you would like to win yourself.

The committee also asks that if you bring any extra drink into the hall could you please take your empty bottles home with you as the committee has enough extra stuff to take home and unfortunately we are not able to leave rubbish in the hall

Please make sure that you all wear your name badges as this makes for a friendlier meeting.

There will be no sales table this month due to our Christmas party.

DATES TO PUT IN YOUR DIARY

North Shore's dates

All is quiet now until approximately June next year when we have our 1st show of the year.

Now is the time to think of helping your society by coming on the committee and helping out. All positions will be declared vacant at the AGM in March and we are always looking for members to join us and help the society.

Other dates

Australian Orchid Conference 2018 to be held at South Windsor on the 20th – 22nd July (dates when open to the public).

This will be an exciting show with guest speakers and vendors from overseas.

Check out the official website for who is coming and who will be talking. There will be more information soon which our Secretary Clover Bradley will circulate to members.

North Shore Orchid Society needs an Editor

The society still needs an editor to help with the bulletin. While you may not be used to this job the committee will help in any way possible, all you need to do is be willing to learn. Until we get an editor the bulletin will no longer contain extra articles.

On behalf of the committee I would like to wish all members, all the best for Christmas and may the coming year be a happy and healthy one for you and your family.
